Q.91

Given below are two statements : One is labelled as Assertion (A) and the other is labelled as Reason (R).

Assertion (A) : As India moves progressively towards becoming a global knowledge economy, it must meet the rising aspirations of it's youth. This can be partially achieved through focus on advancement of skills that are relevant to the emerging economic environment.

Reason (R) : 62% of India's population is in the working age group (15-59 years) and more than 54% of the total population is below 25 years of age. Our country presently faces a dual challenge of paucity of highly trained workforce as well as non employability of the large work force of the conventional educated youth.

In the light of the above statements, choose the correct answer from the options given below :

- (1) Both (A) and (R) are true and (R) is the correct explanation of (A)
